### **BCM – Events Committee Vacancies:**

As part of our BCM Events restructure in 2021 we established a “Events Committee” to plan and run the BCM events programme. For the past two years, due to the lack of other people putting their hands up, this role has primarily been done by Ewen McIntyre in a sole capacity. Ewen has now advised that he no longer wants to undertake this role next season. Ewen has done an exceptional job, setting up the BCM events structure, putting in place systems, documentation and procedures as well as undertaking tournament director roles for most events. On behalf of the Board, a big thankyou for an outstanding job.

We are now looking for three (3) people to be part of the new Events Committee.

The systems have now been set up and next seasons event dates have already been put in place but we need the new Events Committee to be established as soon as possible. **It should be noted that if we do not fill these roles next seasons events programme will be in jeopardy.**

This is a voluntary role with the Events Committee members working together and reporting to the BCM Board. The Events Committee would elect an Events Manager to lead and guide the committee. Committee members will be appointed by the Board, for a 12 month period, from July 2023 to 30 June 2024 and committee members would be eligible for reappointments in the future.

The committee; will work with clubs to arrange venues and encourage clubs to play a lead role in running events, would work with the BCM Treasurer in terms of the event entry fees and expenses, and produce reports on events for the Board. The Events Committee would also address, in the first instance, any issues or incidents that arise. The goal is to have well run and enjoyable bowls tournaments.

Applications are now being sought from anyone interested in working on the committee. A position description is available on request from the Board Secretary, email: [countiesmanukaubowls@gmail.com](mailto:countiesmanukaubowls@gmail.com) or for further information please contact Mark Kamphorst or Ewen McIntyre.

Expressions of interest can be sent to: The Board Secretary, email: [countiesmanukaubowls@gmail.com](mailto:countiesmanukaubowls@gmail.com) by no later than Friday 14<sup>th</sup> July 2023.
