Welcome to Hunua Bowling Club

The Hunua Bowling Club is located right in the heart of Hunua village at the foot of the Hunua Ranges.

We have one well maintained natural green which is open from September to April.

We pride ourselves on being a very friendly club where new members are always welcome. Our club provides an ideal venue for both the serious and social bowler.

Wednesday night is Club Night, with social bowls Friday night and Sunday afternoon during the bowling season.

Non-playing members / Social members are able to take part in the club's social events such as Opening Day, Turkey Tournament and Twilight Bowls. Twilight Bowls are played on Friday nights over a ten week period starting in February. (Some of these events may require an entrance fee to be paid)
